Public Health Service

Agency for Toxic Substances
and Disease Registry
Atlanta GA 30333

Date: August 5, 1988

From: Senior Regional Representative
ATSDR/ROHR-Region VI
Dallas, TX.

Subj.: Arkwood, Inc.
Omaha, Boone County, Arkansas

To: Larry Wright
Acting Branch Chief
Superfund Enforcement Branch (6H-E)

The Agency for Toxic Substances and Disease Registry (ATSDR) has completed a Preliminary Health Assessment on the above referenced NPL site as mandated by Congress under the Superfund Amendments and Reauthorization Act of 1986. (SARA)

The Assessment on the above referenced NPL site provides to you findings and recommendations regarding public health concerns for this site and adjacent areas.

Thank you for your consideration in this matter.

Carl R. Hickam, R.S.
